A Message from Teri

Dear Go Club Members,
We've successfully "settled" into our newly expanded Winter-set location at 611 W Highway 92. If you were unable to attend our open house please feel free to stop by for a personal tour.

USB's Community Center is available for your personal or business use. Please ask for Lauren if you have questions or would like to reserve a date.

I've been working on some great destinations for 2017 - 2018.

I hope you'll take the time and consider joining us.

Please be aware that the sign up deadlines reflect the requirements of our travel suppliers. There are also minimum numbers that we are required to meet by these deadlines, in order to avoid having to a cancel a trip.

To make sure you won't be disappointed, please sign up early!

Teri

Scam Prevention Tips

- Register your telephone number on the National Do Not Call Registry at doNotCall.gov or 888-382-1222 to reduce telemarketing calls.
- Be suspicious of a prize, loan or investment that sounds *too good to be true* and NEVER pay a fee to receive prizes or gifts.
- Consult with someone you trust before making a large purchase or investment and never allow yourself to be pressured or intimidated into immediate decisions.
- Never sign any documents you don't completely understand without first consulting an attorney, trusted family member or close friend.
- Never provide personal information (Social Security number, credit card number, etc.) over the telephone unless you initiated the call and know with whom you're speaking.
- Be suspicious of secretative schemes, or requests to initiate wire transfers or withdraw large amounts of cash no matter what the caller is promising.
