

Not Accepting Credit Cards?

Maybe you're just starting your business or didn't want to bother with the hassles of accepting credit cards. Or, you may have decided the cost of processing fees were too high with other programs.

Whatever the reason, you now have an easy and economical opportunity to take advantage of the revenue-boosting effect of accepting credit cards.

With Professional Solutions' Credit Card Processing Program, You Can:

- **Help retain customers** by offering the convenience of paying the way they want—with their credit cards.
- **Keep more of your profits** with a low discount rate and reduced fees.
- **Reduce the administrative cost** of billing and collections.
- **Accelerate cash flow** because funds from credit card payments are quickly deposited into your account.

Why Process with Professional Solutions?

Outstanding Service

You'll experience great service from a knowledgeable, non-commissioned Professional Solutions agent when you call. Plus, you can count on technical support 24 hours a day ... 7 days a week, after the sale.

Flexibility

This Professional Solutions Credit Card Processing Program is flexible to meet your needs. Choose from the latest, most secure equipment, or have your existing terminal reprogrammed at no cost. What's more, Professional Solutions offers processing to suit your needs, including debit card transactions, check processing, gift card redemption and more!

Professional Solutions Makes It Easy

We know you're busy. That's why we've made it so easy to learn more about Professional Solutions' Credit Card Processing Program and the lowest price guarantee, also known as the Professional Solutions Challenge (see inside for details). Simply send your completed Challenge Form with your last month's credit card processing statement.

What Others Are Saying

Not only did Professional Solutions save me a tremendous amount on processing fees when we switched, but their staff is extremely friendly and efficient. I appreciate how proactive they are with letting us know about new credit card processing technology that will help us process payments more efficiently and securely. I look forward to a long business relationship with Professional Solutions.

It has been a pleasure to work with Professional Solutions during the course of upgrading our credit card machines so we can accept new chip credit cards. This comes as no surprise. Over the years, Professional Solutions has been there to take care of any upgrades, issues or concerns that we have. The service they provide truly makes accepting credit cards smooth and efficient.

- **Reliable Service** – 24/7 terminal support and industry experts to answer all your questions.
- **My Merchant Account Access** – Online portal allows you to check your credit card transactions, view help videos and more.
- **Processing to Suit Your Needs** – Debit card transactions, check processing, gift-card redemption, mobile processing, contactless payments ... and more!

Already Taking Credit Cards?

Get \$100 If You Don't Save Money!

Paying high credit card processing fees means you're giving away more of your profits than you should with every credit card transaction.

Now, you can see how much you can save with Professional Solutions’ lowest price guarantee! Also known as the Professional Solutions Challenge, they’ll compare their low rates and fees to your current program.

If you don't save money, PROFESSIONAL SOLUTIONS WILL SEND YOU A \$100 CASH GIFT CARD.

It's easy:

- 1 Detach and complete the attached Challenge Form.
- 2 Email, fax or mail it with your last month's credit card processing statement.

In return, you'll receive an in-depth analysis (including an evaluation of your current processing rates and other fees compared to Professional Solutions) within two business days.

If Professional Solutions can't beat your current program, they'll send you a \$100 cash gift card!

No-Cost Terminal Offer!

Now, you can get a state-of-the-art "contactless" chip credit card terminal. It's yours to use at no additional cost for as long as you process through Professional Solutions.

This terminal accepts chip credit cards, new digital wallets & other "contactless" payments from your customers!

A two-year contract is required if you select the no-cost terminal offer and an early termination fee applies.
